Well you'll understand I am  
a sculptor not a salesman or a  
businessman. So your wife-  
made the prices.

But all I need  
now is the money.

I received a total of £1200  
from your wife. I have also  
received your letter July 18 '77  
copy to Mr. Haenggie.

To me Mr. Haenggie has been like  
a Brother and a father. When times  
were good he paid me very  
well compared to the previous  
art Dealers I have ever Dealt  
with.

One thing for sure I am not  
under any contract. And I  
have never said sculptures  
mysteriously disappeared. All I  
said was that two of my sculptures  
were still in England. And I  
know that is true, because  
Mr. Haenggie is a man of his  
word.
