Dear Mrs Haenggi,

Again many  
Thanks for the Beautiful Card  
you sent me. This is just to  
let you know how wonderful  
you've been through the years  
since I've known both you  
and Mr Haenggi.

Your Courage  
to me has given the Gallery  
and the Artists a lot of  
Inspiration. You are to me  
a Pillar of our Success  
and Mr Haenggi The Guiding Hand  
and the Engineer.

Through the  
Hard times we have gone  
through you stood by  
patiently praying with us  
in our Hearts. Hopingly  
we made it. The Good Lord  
Loves us. Thanks for everything  
you've Done for us. God Bless the Haenggis

Yours Sincerely  
Lucas Sithole
